The organizing committee is pleased to invite you to the 7<sup>th</sup> International Nanoworkshop on Polymer / Metal Nanocomposites to be held in Jaipur India which is known as pink city. It will provide a platform to exchange ideas, innovation and experiences among experts, senior and junior researchers from all over the world. We hope that you will enjoy your stay adopting new ideas, while establishing new scientific and personal contacts.

**Abstract Submission**  
**Opens: 06 April 2015**  
**Closes: 31 July 2015**

### Topics of workshop include:

- Biological and medical applications
- Catalytic properties and reactive membranes
- Electronic properties and devices
- Magnetic properties and Memristive devices
- Metal polymer nano-composite under extreme conditions (Radiation/Pressure)
- Novel preparation approaches
- Optical and plasmonic properties and applications
- Preparation by wet chemical methods
- PVD and CVD based preparation techniques

**Venue:**  
**VRISA Hotel,**  
12, Airport plaza, Durgapura, Jaipur 302018
